

UNIVERSITÀ DEGLI STUDI DI PARMA

Procedure for credit validation of sport activities for International and Erasmus students

Procedure I (International)

Validation of activities

Validation of certified sport activities carried out during the curriculum of studies, at different levels.

The student must contact the CUS (creditisportiviunipr@cusparma.it) and send all documents certifying the activity, with the form "[autocertificazione pratica sportiva](#)"

CUS will take care of the documentation certifying the performance of sport activities, will check and verify it in compliance with the requisites of the regulation, and prepare a report for the **Council of the First Cycle Degree Course in Sport Sciences, Physical Exercise and Human Health**.

The Council of the First Cycle Degree Course in Sport Sciences, Physical Exercise and Human Health will take care of the documents sent by CUS and will then suggest a number of credits for the sport activity, according to the regulation: <http://www.unipr.it/node/9319>.

The Council of the Study Course, or the Erasmus delegates who are responsible for the student, will certify the sport activity according to the number of credits suggested, taking into consideration the global features of the activities and the learning agreement.

Procedure II (Erasmus&International)

Registration to CUS activities

Registration to Courses/Laboratories organized by CUS Parma.

The student must send to CUS (creditisportiviunipr@cusparma.it) the form "[domanda di iscrizione ai corsi](#)" by choosing among those available on the website www.cusparma.it

The CUS, based on subscriptions, will start "sport laboratories"; at the end, the attendance and participation will be verified. After that, the documents and a report will be sent to the **Council of the First Cycle Degree Course in Sport Sciences, Physical Exercise and Human Health**.
