

T14009-TRAINEESHIP AT THE DEPARTMENT OF CHEMISTRY, LIFE SCIENCES AND ENVIRONMENTAL SUSTAINABILITY

PERIOD: 6 MONTHS (starting at any date)

Università degli Studi di Parma

| TRAINEESHIP INFORMATION | |
|---|--|
| Traineeship number | T14009 |
| Department/Office | Department of Chemistry, Life Sciences and Environmental Sustainability (Corsi di Laurea Magistrali in Chimica e Chimica Industriale) |
| Responsible person for this placement | Prof. Giorgio Pelosi |
| Contact e-mail | internship@unipr.it |
| Description of activities | The student will be directed to a laboratory devoted to research activities in a selected area among Analytical Chemistry, Chemical Physics, Inorganic Chemistry, Industrial Chemistry, Organic Chemistry. The student will participate the daily activities of the laboratory, while pursuing a specific research project. A list of available projects is published at http://scienzechimiche.unipr.it/cgi-bin/campusnet/home.pl/View?doc=Intro_Tesi_Tirocinio.htm |
| Working language | English and Italian |
| Location | Dipartimento di Scienze Chimiche, della Vita e della Sostenibilità Ambientale – Parco area delle Scienze 17/A – Parma |
| Number of available placements | 4 |
| Duration (2 months minimum- 12 months maximum) | 6 months |
| Working hours / week | Timetable to be agreed accordingly |
| Period | any time of the year, excluded the two central weeks of August |
| Accommodation | The office supports students in finding accommodation in Parma U.O. Accoglienza e Orientamento |
